

LIKITH M GOWDA

Bangalore, India | +91-7483250048 | likithmgowda55@gmail.com | [GitHub](#) | [LinkedIn](#)

PROFESSIONAL SUMMARY

Results-driven Computer Science graduate with hands-on experience in SQL, Python, Power BI, and full-stack development. Skilled in data cleaning and transformation (pandas), building interactive dashboards, ML model development, and scalable backend systems. Seeking roles in Data Analytics, AI Engineering, or Software Development.

PROFESSIONAL EXPERIENCE

Data Analyst Intern | Cloud Institution

Sep 2025 – Mar 2026

- Analyzed educational and business datasets using SQL (MySQL) for reporting and decision-making; prepared weekly and monthly reports tracking KPIs, student performance, and operational metrics.
- Cleaned and transformed datasets using Python (pandas, NumPy); built interactive Power BI dashboards enabling real-time stakeholder insights, improving reporting efficiency by 25%.
- Performed ad-hoc analysis using Microsoft Excel (VLOOKUP/XLOOKUP, Pivot Tables, conditional formatting) to support cross-functional team data accuracy initiatives.

PROJECTS

Credit Card Fraud Detection | Machine Learning | Python, scikit-learn, XGBoost, SMOTE, pandas

- Trained and optimized Logistic Regression, Random Forest, and XGBoost models achieving 95%+ accuracy on highly imbalanced fraud datasets; applied SMOTE class balancing to improve fraud detection recall by 30%.

Global Sales & Profitability Dashboard | Power BI, SQL, Python (pandas)

- Extracted and aggregated revenue, profit, and quantity metrics via optimized SQL queries; cleaned raw data with Python (pandas); built an interactive Power BI dashboard surfacing \$142.41M total revenue and \$31.55M profit across regions and categories.

Full-Stack Online Examination System | React, ExpressJS, Node.js, MongoDB, JWT

- Built a secure full-stack online exam platform supporting 500+ concurrent users; implemented JWT authentication and role-based access control, automating evaluation and reducing manual grading effort by 80%.

EDUCATION

BE, Computer Science and Engineering – Nitte Meenakshi Institute of Technology 2022 – 2026 | CGPA: 8.89/10

Karnataka PUC (KSEEB) – VBR PU College 2022 | 94.6%

Central Board of Secondary Education (CBSE) -Jawahar Navodaya Vidyalaya, Chikkaballapura 2020 | 88%

TECHNICAL SKILLS

Languages: Python, Java, C++, SQL

Data & Analytics: SQL (MySQL – joins, aggregations), pandas, NumPy, Power BI, Microsoft Excel (VLOOKUP, Pivot Tables)

ML / AI: Logistic Regression, Random Forest, XGBoost, SMOTE, scikit-learn

Web & Backend: React, Spring Boot, MongoDB, REST APIs, JWT Authentication, MERN Stack

Tools: Git, GitHub, Microsoft Power BI, Microsoft Excel

Soft Skills: Leadership, Teamwork, Communication, Time Management

Interests: Data Analytics, AI Engineering, Full-Stack Development, Software Development

POSITION OF RESPONSIBILITY

Volunteer – Geekmayhem 2025 | Nitte Meenakshi Institute of Technology

- Contributed to event marketing, logistics, and participant engagement for the college technical fest; coordinated promotional campaigns and managed event operations to support smooth execution of technical events.
- Collaborated with team members to improve student participation and ensure effective communication; gained practical experience in leadership, teamwork, and organizational management.
